His Highness Krishnaraja Udayar Bahadur, Esqr, G.C.S.I.

Maharaja of Mysore,

Mysore.

Lay it please your Highness,

We the undersigned people be longing to Kaki Pailwan Mahan, behind the General Post Office, Mysore, beg to lay to your Highness the following few lines, for benign consideration and favourable disposal.

In spite of representations to the then President, the land was acquired to the Municipality so far back as the year 1891. In lieu there -of, a compensation amount of Rs. 643/- was fixed for the same on the plea, that the land was needed for public utility. As it was purely the property of the Mahan and intended for its benefits alone, we had to consider well, before the amount of compensation was accepted by us and consequently the said sum was placed in the Judicial deposit of the District Court, Mysore, on 17th August 1891, as can be seen from the judgment, enclosed herein

Though representations were made to your beloved father His Highness Chamaraja Udayar Bahadur Esqr, G.C.S.I. and the enlightened Dewan Sir K. Seshadri Iyer Esqr, we had not the good fortune of hearing from him, as he was snatched away by the hand of death, subsequently, thus leaving the subjects plunged in sorrow to bemoan his irreparable loss. As the crisis of his demise was at its zenith, we had not the good mind to remind the then Dewan on the subject.

Trusting that your Highness
will go over the correspondence of our various representa-
tions and grant us due justice,

We beg to remain,

Your Highness most obedient &
humble subjects,

SIR,

In reply to your letter No 8422/M1 78-14-123, dated the 1st instant, I have the honour to state that a tiled house and vacant site which belonged to Khakishah Pilwan Makan were -
acquired by Government so far back as 1891. As the persons interested in the property refused to accept the amount of -
compensation tendered by the then Deputy Commissioner, the -
District Judge was requested to fix the amount and he passed an award for Rs 643/- the amount originally tendered by the Deputy Commissioner. Even there the parties did not agree to the award and the amount was kept in Judicial Deposit. Since then it does not appear to have been drawn by the parties in spite of several endorsements given to them that the question was finally decided and could not be re-opened.

2 The land in question has been acquired for a public purpose and as such it cannot be restored to the Makan. The only remedy that the petitioners can get is to apply to the Court and get their amount refunded as it has by this time lapsed from deposits. The enclosures received with your letter
